The RCIC program requirements for Middle and High School teens

Please sign in and make sure we have a good phone number and email address. Communication will be sent to you on a regular basis. If you do not have an email please see me today or during the week.

RCIC program is a two year program (minimum) and could be longer if the child/teen needs additional time to understand the material covered and/or to understand what each sacrament that they are to receive is.

The child/teen must attend the regular Faith Formation program that is appropriate for their grade level. The child/teen can miss a maximum of 3 regular Faith Formation classes in a school year.

The child/teen will be given homework every week and it is due the following week. The homework needs to have the child/teen name and grade level on the front page. All homework needs to be neat and not rolled up or torn and all questions answered fully.

Answers to the questions must be correct/detailed/and readable. They must fully explain what they read in their homework article. We want to see what the child/teen knows on the subject. Sloppy work is not acceptable.

There will be 2 tests each sacrament year to make sure the teens understand the material and more importantly what the Sacraments of Reconciliation and Eucharist are and what graces they received from them.

Teens must attend the 4 special sacraments classes on specified Sunday's at 3:00PM. See handout for dates. The parent that will be responsible for the Faith Formation of their teen must attend with their teen on these Sunday afternoon classes. Remember it is the responsibility of the parents to be the primary religious educator of their teens.

Both first and second year children/teens will need to complete a project that will demonstrate their understanding of the sacraments they will be receiving.

Second year students will attend their 1st reconciliation in the spring with the other middle school teens and 1st Communion and practices with elementary students on the specific dates.

New fifth grade students will attend the middle school RCIC program since they will receive their sacraments while they are in middle school.

All teens must be able to say the 8 basic prayers before they go to the next level. They need to understand what each prayer means. Refer to the handout for the specific prayers.

Parents are to keep in contact with me so you understand where your teen is in their Faith Formation education.

It is the teens and parent's responsibility to make sure all of the homework, tests, classes and projects are done completely and on time. It is their Sacrament. I ask all of you to review the homework and tests with your children before they are handed in.

Remember: We need a phone number and a good email for us to keep in touch with you on the progress of your teen. If you change either one please let me know ASAP.
